Amendments to the Specification

On page 1, please replace lines 12-15 with the following amended paragraph:

For example, the examined utility application publication No. $\frac{H5-23375}{H5-23376}$ discloses a door trim which is provided with a pad material made of urethane foam and the like. The published patent application No. $\frac{H10-119159}{H10-119159}$ discloses a noise isolation cover made of urethane foam.
